

GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

ITE&C Dept – IT Promotion – Developing Innovative Products/ Solutions/ Services – Encouragement – Constitution of Evaluation Committee and formulation of guidelines - Orders –Issued.

INFORMATION TECHNOLOGY, ELECTRONICS & COMMUNICATIONS (Promotions) DEPARTMENT

G.O.RT.No. 100

Dated: 17.07.2015
Read the following:

1. Innovation & Startup Policy 2014-2020, issued vide Go Ms.No:17, ITE&C Dept, dated: 09.09.2014.
2. Notification dated 17.12.2014 soliciting applications for Selection of Startups and IT companies with Innovative Products /Solutions/Services
3. Go. Rt. No 10 ITE&C Department Dated 21/01/2015
4. Go. Rt. No.73, ITE&C Department Dated 22/05/2015

ORDER:

Andhra Pradesh had taken a leadership position in e-Governance and Information Technology. The growth was propelled by the availability of rich talent pool, lower cost of operations and in some measure due to the innovative policies of the Government. After the reorganization of the State, Government of Andhra Pradesh has developed a blueprint “Re-Imagining Andhra Pradesh – role of e-Governance, Electronics and IT” for development of ICT Industry in the State. The blueprint document also indicates the importance of development of Innovation, Entrepreneurship and Start-up culture in the State

2. In order to boost the IT & Electronics Industry in the State, the Government released a “Triad of Policies”, namely IT Policy 2014-20, Electronics Policy 2014-20 and Innovation & Startup Policy 2014-20 (available on www.apit.ap.gov.in). The three policies focus on creation of a world class ‘Technology Start-up Ecosystem’ in the State. Through these Policies, the Government intends to create an ecosystem that produces an entrepreneur in every family. The G.Os 3rd and 4th read above were issued in pursuance of the Innovation Policy to promote innovative products and solutions.

3. In the ref. 2nd cited above, ITE&C Department issued a notification inviting proposals for innovative products and solutions. During the processing of proposals the need for improvement has been felt for a smoother implementation of the scheme especially the need for the Suo Moto products as recommended by Evaluation Committee to be adopted / implemented by the concerned department speedily. Accordingly, the following comprehensive guidelines are issued, in super session of the GOs 3rd and 4th read above.

4. Departments concerned with the innovative product or solution selected by the evaluation committee shall adopt and implement on a pilot basis to promote IT Industry in the State. Further extension, replication or rollout in full scale of such product will be undertaken by

the line Department following the Policy laid down by the Government on procurement for e-Governance.

5. Under this scheme the proposals are invited in TWO Categories as mentioned hereunder:

A) INNOVATION AWARDS:

Start-up companies and IT companies with a turnover of less than Rs.50 lakhs p.a will be eligible to submit proposals under this category. The focus will be on innovative products that address societal problems. The start-ups and companies selected for Innovation Award shall be granted an amount of Rs.1.00 Lakh (Rupees one Lakh only) per product.

Awards in the following technologies and subjects are considered for this purpose

a. Technologies: IoT, SMAC, Semiconductor (Chip/device/System) design, Green IT

b. Subjects: Education, Healthcare, Agriculture, Digital Literacy, Rural Development, Smart Cities, Logistics Management, Integrated Water Management.

B) SUO MOTO PROPOSALS FOR PRODUCTS/SOLUTIONS DEVELOPED BY MSMEs:

Eligibility:

Any Start up/ MSME/Enthusiastic First Generation Technocrat/ Entrepreneur from Andhra Pradesh, with an annual turnover between Rs 50 lakhs and Rs.25 Cr, in Electronics and IT sectors can submit a Suo Moto proposal under this category. The companies outside Andhra Pradesh, can also apply under this scheme and will be evaluated by evaluation committee. If their product/solution is selected and they do not have a presence in A.P, they shall open a development centre in Andhra Pradesh. Assistance under this scheme will be provided only on opening of such development centre in A.P.

Criteria:

- a) the proposals should be based on the Blueprint published by GoAP or on the AP State Enterprise Architecture (both documents are accessible from the website: www.apit.ap.gov.in)
- b) The following subjects/themes shall be considered under this category:
 - i. Identity and Access Management,
 - ii. e-Service Delivery,
 - iii. Cloud Services
 - iv. Knowledge Management,
 - v. Software Defined Networks,
 - vi. Social Benefits Management Systems,
 - vii. Project Portfolio Management,
 - viii. Location Based services,
 - ix. Disaster Management,
 - x. GIS-based applications in the areas of Urban Development, Agriculture &

Rural Development, Water Resources Management, Mines & Minerals, Forest & Environment, Disaster Management, Tourism Development, Traffic Management, Management various assets through the use of GIS, Government/ Community lands Management.

- xi.** Localization Products and Tools namely, content development in Telugu and thereby bridging the digital divide, development of language technologies for text-to-speech and speech-to-text, voice recognition, machine translation, voice web, to enable language-independent delivery of services.
- xii.** Use of Social Media by Government agencies.

6. Implementation

(i). Products and solutions, valued upto Rs 50 cr collectively, will be selected annually, by the Competent Authority, for implementation within GoAP.

(ii). For Products selected under SUO MOTO scheme (para 5B above) the amounts approved by the Committee may be released by the ITE&C Department directly to the concerned line Department without undertaking any further procurement process.

(iii). If the amount sanctioned by the Committee for a product or solution is more than Rs 50 Lakhs, the funds shall be released to the line Department concerned in phases. Subsequent to first release, the further funds shall be released to the line department on receipt of utilization certificate.

(iv). The line Department shall release funds to the proponent as per agreed milestones after satisfying themselves of the quality and quantity of work fully as per specifications agreed upon by the line Department concerned.

(v). If the product/solution recommended by the committee involves subsequent financial support in later stages or years, the concerned department has to provide for the same. The support from IT Department will be limited to adopting/implementing the project initially and not for full rollout or for amount required for maintenance, post-pilot period.

7. In order to evaluate the proposals received under both the categories stated above, Government hereby constitute an Evaluation Committee with the following composition.

1.	Adviser, EGOV, Electronics and IT, GoAP	Chairman
